

Thank you for your participation in Safe Communities of Wright County's Sober Cab Program called JOYRIDE!

JOYRIDE is a partnership between alcohol-serving establishments, local beer distributors, a nonprofit called Minnesota Safe Ride, local government and Christie Cab.

Christie Cab provides a quality service; however they cannot transport people who are excessively intoxicated, unable to give directions, or unable to remain conscious during their ride. Christie Cab employees reserve the right to refuse service to anyone and they are not allowed to carry intoxicated people into their home.
